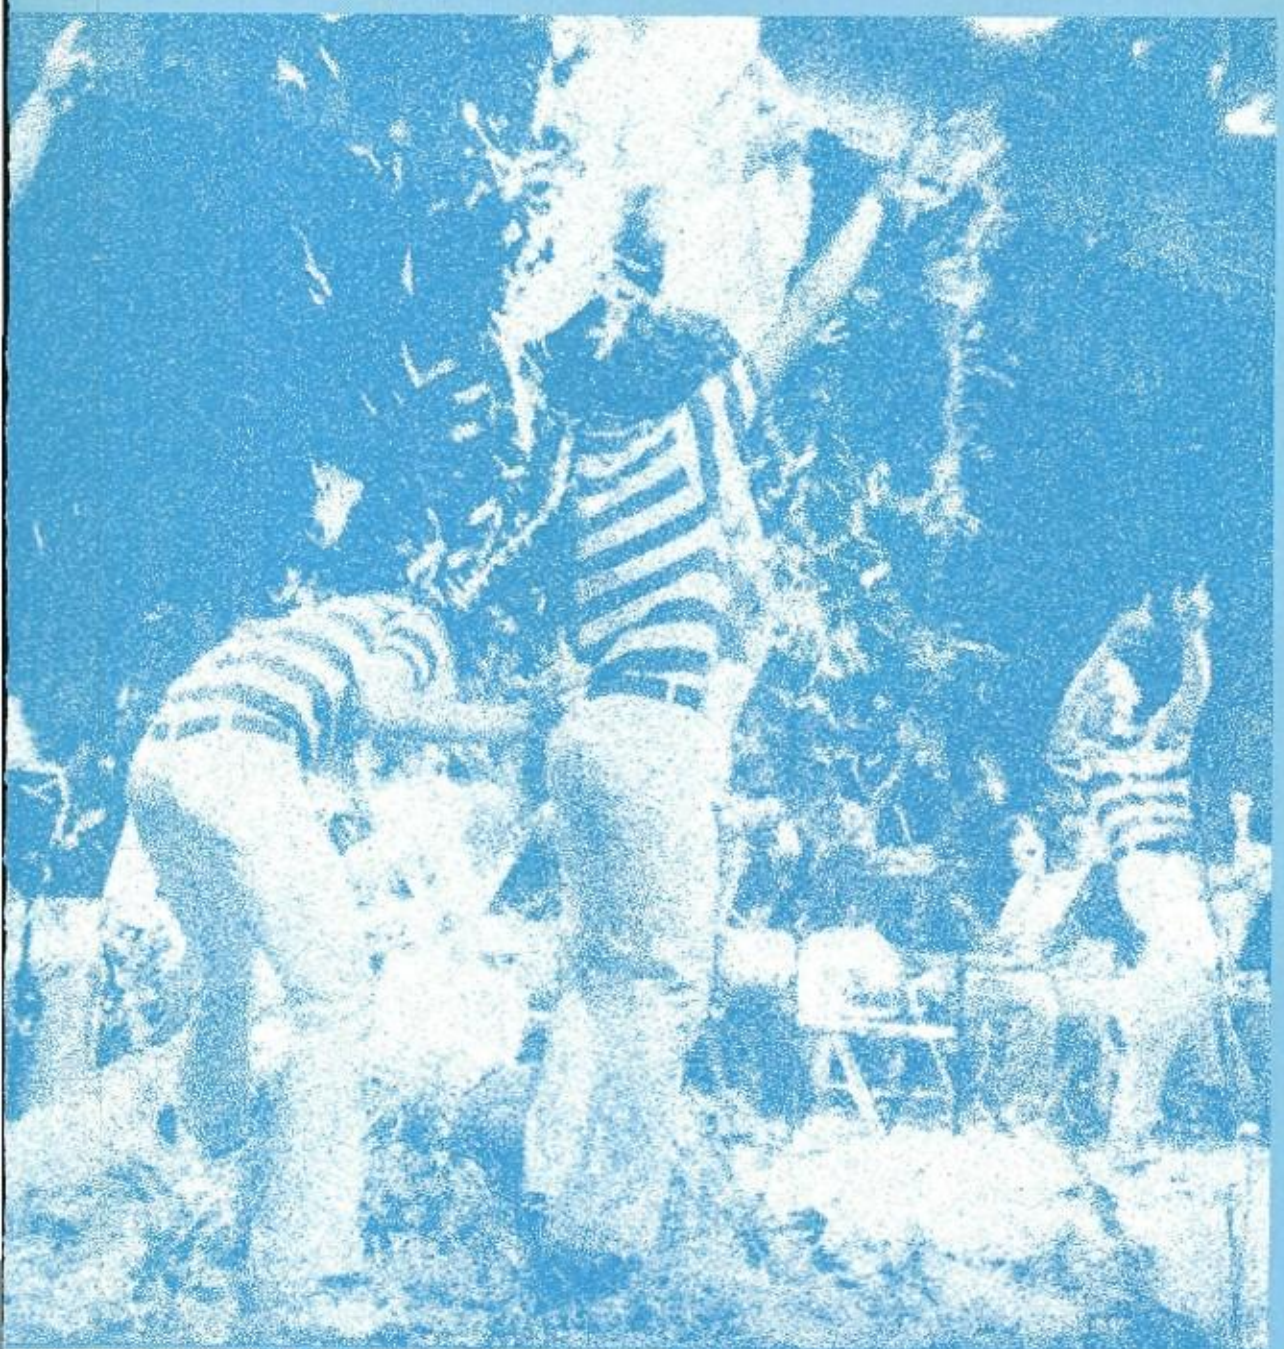
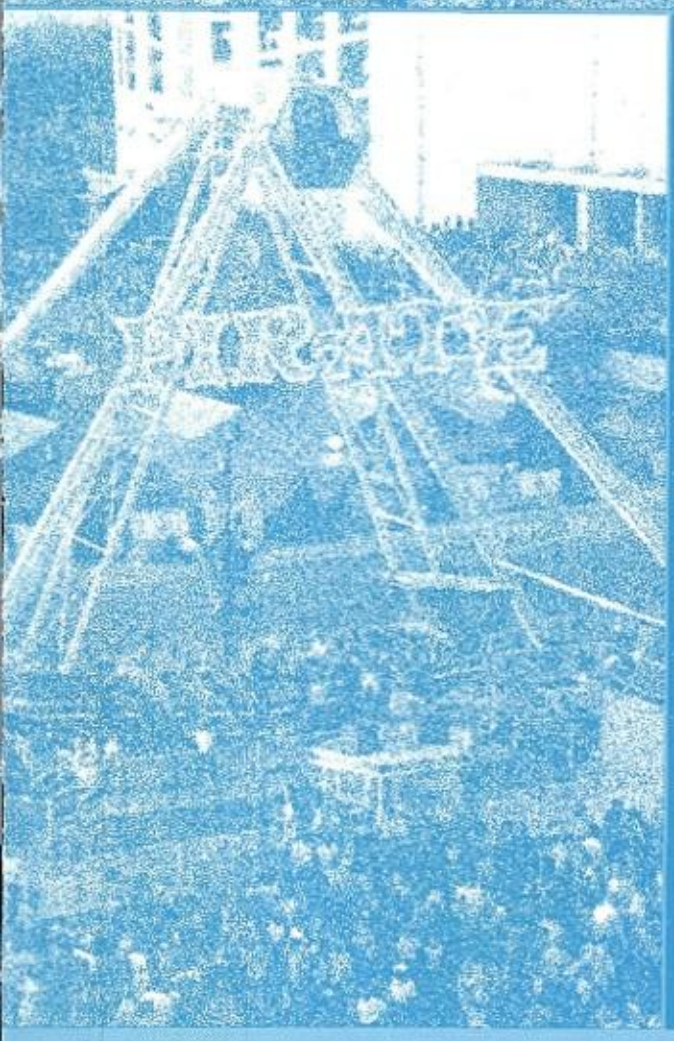
ORIENTATION DAY

FIRST DAY BEFORE SCHOOL LUNCHROOM NIGHT





LIFE ASSEMBLIES TALENT SHOW MUSICAL

Frosh Get First Look

On August 24th hundreds of eager but anxious freshmen passed through the doors and into the halls of Bryan Adams for the first time. The new students were ushered into the auditorium where they received welcomes from Mr. D. D. Richardson, Student Council President: John Wardell, Spirits President: Lacy Atwood, and the ever-spirited varsity and junior varsity cheerleaders of Bryan Adams.

The Bryan Adams Cougar Band and Belles entertained the newcomers with a special performance.

The orientation closed after the students visited the school cafeteria where they were introduced to many of the clubs and organizations offered at Bryan Adams.

Morning Activity

For many students the day begins very early. They drag themselves out of bed to a 00 class that starts at 7:25 a.m. The very dedicated Band and Belles find their way to school at 7:00 a.m. and to Forrester Field House at 6:45 a.m. the day before the football game. Some people come to the lunchroom to finish the last bit of homework. Various activities take place before school, including the cheerleaders and spirits trying to get everything organized for the pep assemblies. Then there are those who come to get a coke and talk to their friends before first period.

1. Rusty Reid takes practice serious.
2. Mark Brown looks the band over while directing.

New Faces, New Friends

The first day of school begins with a tense excitement. Students wait anxiously to see who their teachers are and who is in their classes. In homeroom, census cards and enrollment cards are filled out, lockers are assigned and schedules are passed out. Counselors are set up in the auditorium to deal with students who are complaining about such things as four English classes and no lunch.

When homeroom finally comes to an end, many new students are found searching for room numbers which do not seem to exist. Once classrooms are found, teachers and students alike undertake the task of learning which names go to which faces.

Assemblies Highlight Week

As each hectic school week rolled on, something happened that caused us to remember that the week was almost over and an exciting football game would soon take place. This spirited reminder was a pep assembly.

After proper respect was given to the flag presented by the Color Guard, the cheerleaders led the assembly in victory cheers with the help of the Spirits, C.C.'s, and H.R.'s. The performances of the majorettes and the drill team to the lively music of the band plus various pep talks highlighted the assembly which was wrapped up with the traditional singing of the Alma Mater.

After assemblies like these, the football stadium was packed every week.

More Than Just Food

The lunchroom contains a variety of sights and sounds. Two highlights of the cafeteria are the mural and the jukebox. The mural, which depicts the different activities at Bryan Adams, adds color to the cafeteria. Rock-n-roll or country and western music blares from the jukebox as students enjoy relaxing and talking with friends. However, for some, lunch must be used as a time to catch up on homework or to study for a test.

At the beginning of each lunch, students rush madly to be the first in line for such favorites as pizza or fish. Lunch ladies work hard to prepare these foods, and janitors work hard to clean the cafeteria for the next day.

The Bell Rings And —

Life begins at four o'clock seemed to be the motto of many students during the 78-79 school year. Even after the last bell sounded the halls of Bryan Adams were not emptied for several hours.

Dedicated students could be found working diligently in Chemistry labs and in the library.

Several clubs had parties and meetings, newspaper and annual staffs had deadlines to meet. Spirits often decorated the halls for football games, and student council representatives worked continuously to better our school.

Out of those students who left school, some had jobs, some had family responsibilities, some left just to get out of school, and some went home to get ready for tomorrow.

Night Life Enjoyment

Night life played a big part of a Bryan Adams student. Many of the students spend a lot of their time working while others enjoy their leisure time by visiting the various clubs, restaurants, and disco's. A typical weekend may start with dinner and then a movie and end up at a cozy little spot at White Rock Lake.

Many of the different clubs meet at night. Young Life was well known around Bryan Adams, they drew very big crowds on Tuesday nights. Many other clubs met, such as Latin Club, Key Club, NFL, Cothurnus, and Ice Skaters along with various others.

Homecoming A Week For Everyone

Homecoming Week brought excitement and variety to each and every student at Bryan Adams.

The first event was college T-shirt day on Monday followed by spirit towels, ties, green and white day, and finally old jackets on Friday.

The Homecoming Assembly on Thursday consisted of Mr. Forgey and his gang leading the school in cheers, the introduction of the sixteen girls nominated for the Homecoming Court, and various other surprises for the student body.

This great week of excitement and entertainment was highlighted by the Homecoming Game on Thursday followed by the Homecoming Dance Friday at Northpark Inn.

Enchanted Evening

This year, the Homecoming Dance was given the added sparkle of being held in the Continental Ballroom at Northpark Inn. The dance began at eight o'clock, when students started arriving at Northpark Inn. Couples danced to a variety of disco, soul, and slow music which was provided by "Creme de Cocoa." Finally came the event that the Homecoming finalists had been waiting for: the crowning of the court. Two freshmen, Robin Robinson and Leslie Hubbard, tied for the honor of Maiden. Jennifer Thomas won the Sophomore title of Duchess. Cindy Green was elected as Junior Princess, and Midge Anderson excitedly accepted the crown for Homecoming Queen.

"Friday Night Fever"

"Friday Night Fever" was presented on September 22 by the National Forensic League and displayed the theme, All the things you can do on a Friday night.

The Master of Ceremonies, Ross Day, led the talent show through five segments: football, radio, T.V., Club, and Disco. Some of the highlights of the show were the melodious voices of Noel Darnell, Jerry Turner, and Dorothy Moore, the comedy of Ross Day and Bucky Eacret, and the fiddling of Ben Solver. Dispersed throughout the show was the music of Loel Camp and Threshold. The finale featured the entire cast singing "Tomorrow."

Tournament Brings Competition

The N.F.L. had a successful speech tournament this year, with fifty-five schools attending. Teachers and ex-Bryan Adams students served as judges for the out-of-town students who competed. The speech students began working hard in October to prepare for the event, although the tournament was not until February first and second. Mari Cossaboom was the student coordinator of the event, which has been judged as the best-run speech tournament in Texas. New Type Of Cothurnus Playhouse

On December 7 and 8 Bryan Adams students viewed a Cothurnus Playhouse different from any other. This year's playhouse "Dirty Work at the Crossroads" successfully mixed a soap opera type melodrama with vaudeville acts between the scenes. The play was an audience participation type of comedy with the spectators booing for the villain and cheering for the hero. Some of the cast members were Ross Day as the villain, Monroe Murgatroyd, Jerry Turner as the hero Adam Oakhart, Mary Ann Russell as Nellie Lovelace and Janna Henderson as the villainess Ida Rhinegold.

New School New Life

Three of Bryan Adams' students were not only new to the school, but they were new to the country. Gerd Prengel and Florien Trieb from Germany, along with Carla Salles of Brazil arrived in Dallas not long before school started. These new students did not know what to expect at their temporary homes but their fears were put at ease by the friendliness that greeted them.

Photography, swimming, tennis, and school activities were just a few of the things these students enjoyed as they began to feel at home in their new school.

Signs Of The Times

As the 1978-79 fashion season exploded with its new ideas, Bryan Adams' students were quick to spark up their old wardrobes. For the girls, history repeated itself in casual wear with the rolled-up, straight-legged blue jeans complimented by high-heeled shoes but revolutionized with big shirts accented with sash-type belts, knotted scarves, and vests. To spruce up dresses were colored hose and ankle bracelets. The guys stuck to their familiar jeans, overalls, and ski jackets. Considering hair, the girls' crimped hair stormed with frizzy madness, but the guys' athletic department's attempt to start a shaved-head trend flopped.

Practice Gives Edge To BA

When sixth period rolled around, many Bryan Adams personalities began mastering the techniques and skills acquired to be a winner. Win or lose, hours of practice made better people out of Cougar athletes.

Running laps, shooting freethrows, taking batting practice, lifting weights, and perfecting holds were among the activities Cougars worked on. With this in mind, the BA football contingent ended an injury-riddled season with an even mark of 5-5. Earlier in the year, the Cougar Volleyball team won District. Other BA teams practiced and played hard to earn awards in their respected sports.

BA Splits Pre-Season Openers

Cougar fans were treated to two exciting games as BA defeated the North Mesquite Stallions 7-0 in the opener and lost to the Garland Owls and the clock 22-30. Against North Mesquite, the BA offense staggered the entire contest until the final minute. Mike Carlile intercepted a Stallion toss on their 35 yard line and dashed to the 29. With 8 seconds left Coach Jimmy Don Hunt ordered an aerial attack on the Stallions as Mike flipped the ball to flanker Darren Loy for the only score.

Fighting with the spirit of David against Goliath, BA came close to knocking off second ranked Garland. Ronnie Robinson gained 230 yards on 34 carries including a 95 yd. kick off return in the first period. BA scored two more times as Ronnie found the end zone and Mike hit David South for two points.

B.A. Wins First Two

Outmanning the Lincoln Tigers 28-6, BA proved to be too powerful as tailback Ronnie Robinson carried the Cougars to an early lead. In the second quarter he scored on short plunges. After both scoring drives, Dirk Davis kicked the extra points. BA entered the third quarter with a 14-0 lead and upped that quickly as Rick Sharrock took the opening kick 90 yards to the end zone. David South scored the final BA touchdown as he scrambled for 20 yards.

Against Woodrow, BA proved to be too hot to handle as the Cougars ran up a 23-0 score. Robinson gained 224 yards on 38 carries and scored out of the I-formation on the 37 yard run. In the fourth quarter BA scored twice in 15 seconds. Jay Jacobs and Brian Davis forced a safety and Rick Sharrock returned the ensuing free kick. 65 yards to the Wilson one yard line, quarterback Mike Carlile pushed over for the score.

BA Falls To Samuell Topples TJ

Sophomore Ronnie Robinson led the Cougars to a 28-20 victory over Thomas Jefferson in the third district game of the season. Work-horse Ronnie gained over 200 yards scoring on runs of three, seven, and 49 yards. David Belcher added the fourth TD on a 55 yard run. Dirk Davis converted after each BA score.

On the week before the TJ contest, the Cougars were handed a 35-15 loss by a strong Samuell offense. BA scores came on a 35 yard field goal by Dirk Davis and a 54 yard pass by quarterback Clark Crawford to David Halstead. One final score came when Bucky Eacret recovered a blocked punt in the end zone for a touchdown.

BA Scalps Apaches

An opportunist Cougar team took advantage of six determining turnovers providing more than the frustrated Apaches could overcome as BA took a 28-21 decision. First quarter action included a 3 yard scoring run by Ronnie Robinson which he went on to repeat in the second quarter. BA's score continued to mount due to a 32 yard run by David Halstead and a 25 yard sprint by Jeff Bryant.

A week later, the high spirited Cougars met with a stone wall of opposition in the form of the Panthers from Hillcrest. Careless mistakes took their toll early as the panthers tallied 28 points in the first half. Spruce continued to add 13 more points in the second half leaving a dismal final decision of 41-0.

Cougars Fade Into Sunset

For Bryan Adams the 1978 football season ended on a sour note. Against W. T. White, the eventual district champion, the Cougars gave up 34 points as BA was shut out, 34-0. BA held White until late in the second quarter before the flood gates opened and the Longhorns scored 21 of their points in a period of only 26 seconds.

In the finale, arch-rival Skyline handed BA a 14-0 loss. Both of the Raider scores came in the first half by back Robert Durst. Ronnie Robinson gained all of the Cougar rushing yardage as he totalled 27 yds. on 15 carries. Tallying Ronnie's steps for the year, one learns that this sophomore gained 1,116 yds. for an avg. of 5 steps per carry. Reaching further into the hat, BA Senior David Halstead had 7 receptions for 171 yds. and a 24.4 avg. per catch.

JV Gains Talent

A combination of the Green and White squads of previous years, the 1978 J.V. Crew turned from a below .500 team into a competitive regiment which many observers call the "Turn Around Gang." Under the influence of coaches Dolph Regelsky and Henry Warner, the team produced an excellent winning season.

On the freshman level, coaches Bill Hitt, Mark Giddens, and Ronnie Ross also led the Frosh to a winning season. The freshman team gained strength and found themselves near the top of the District and yields a promising crop of future teams.

Girls Volley To District

The girls varsity volleyball team successfully completed their season by claiming the district title for the second straight year. Under the leadership of coaches Elsie Moreno and Susie Hagar and team captains Leanne Recer and Gail Giddens, the girls went undefeated in district play and won all but four of their non-district games. The team also competed in the Skyline Tournament where they won first place. The team was matched against South Oak Cliff for the city championship, but was defeated by scores of 15-11 and 15-6.

JV Girls Learn From Winning

In her first year at BA, Ms. Susie Hagar took over as coach of the girl's junior varsity volleyball team. The girls ended their season in 2nd place in the district, winning 5 district games and losing only 3. BA wins came as the team defeated Lincoln, Samuell, White, Woodrow, and Spruce. At the Wills Point Tournament, the Jv gained confidence as the team claimed first place. From victories like this, BA has the talent for future District Championships.

Soccer Aims For City

Soccer at Bryan Adams strived for new goals as the team aimed their everyday lives toward winning city. This year's crew proved strong on depth as Coach Bill Flagg was confident in substituting for his regulars.

Relying on tight defense, the offense hustled to put the ball into the net successfully. Not only were shutouts common for Cougar opponents, but being racked up for high scores occurred when the Cougars set their minds to the game. Thus BA had a plus ratio in goals scored and their winning season is evidence of their ball control tactics.

Captained by Seniors Eric Ascough, Paul Broadway, and Junior Jeff Dickey the soccer team handled tough competition from White and TJ in their quest for the city title. On the JV front the Cougars showed potential and poise and are expected by Coach Flagg to be successful in the coming years. One can only wonder if the team's "Hartwick" quality will live on with them.

Perfection Sought

The Bryan Adams Girl's Soccer team got off to a good start this season, winning their first two games in district play. The girls lost only one scrimmage game, playing against some of the strongest teams in the city. Under the leadership of Coach Pat Byrd and captains Becky Hill, Kristi Cody, and Daphne Hoover, the girls put in long hours at after school practices to develop the skills needed to improve their game. Although the 23 member team is made up of mostly underclassmen, Mrs. Byrd feels the team is very confident of their abilities. She cites Linda Alvarado, freshman goalie, as one of the most outstanding players and expects her to be a valuable asset to the team.

A Learning Season

Under the leadership of Coach Ralph Zeitz, a senior-stacked but a mostly inexperienced team, encountered unyielding competition in this year's district tournament which the team could never quite overcome. The 78-79 edition of the Varsity Cougars, led by Captain John Wardell consisted of ten seniors, nine of whom worked their way up from the J.V., four juniors, and two sophomores. B.A. experienced an overall disappointing season resulting in a 1 and 7 record, the only win arising against the Spruce Apaches 56-54 in overtime. Losing the third quarter in every game this season, the team's final defeat with Skyline and Skyline's win over Spruce kept the Cougars out of district play which included all teams but B.A., making it impossible to defend the District 11-AAAA Crown of the previous year.

Hot handed players for Bryan Adams in district play included senior Mike Hubbard with 93 points, followed by senior John Wardell with 90 points, who also picked up the most rebounds of the season for a total of 74 which averaged 9 per game. Top man from the line, junior Curtis Castleberry bagged 17 out of 24 for a 70.8 percentage, edging out John Wardell, his closest teammate, by .2 of a percentage point.

Girls Do It Again

Winning was the name of the game for this year's Girl's Varsity Basketball team as they once again took the District Championship. The team underwent many changes this year, but the girls were able to adjust well to make the 78-79 season a success. Full-court basketball was introduced for the first time to the Varsity girls in Texas. The team worked hard under Coach Suzie Hagar to develop the endurance and shooting skills needed for this type of play. The long hours paid off as the girls won 17 of their regular season games. The team took first place in the District Tournament and went on to face South Oak Cliff in Bi-district action where they were defeated 89-59.

Also representing BA well were the JV girls coached by Ms. Elsie Moreno. The girls won 6 of their 16 games and placed 4th in the district at the end of the season.

JV Builds Future Successes

Although the varsity failed to attain a winning record this season, the JV more than made up for it. Those spectators who went out and caught the JV act saw a potential winner in the Cougar future. Led by the scoring of Keith Morrison and Cary Liebrum the JV finished as one of the best teams in the city. Coach Henry Warner guided the group to their success.

On the freshman front Coach Mark Giddens formed a solid effort out of the usual grab-bag of players. From these two corps BA appears to have a strong outlook on future victories. Only time will tell how good these teams will become.

BA Tennis Team Swings Into Action

Tennis continued to be a popular sport at B.A. during the 78-79 season. The team began the process of rebuilding after the graduation of last year's predominantly senior team. Tryouts began in late September when 22 students were accepted on the young team. Team members participated in singles, doubles and mixed doubles competition.

Kurt Fergraeus served as boy's captain and Melissa McCoy as the girl's captain. Under the direction of Coach Tony Fracchia, the Cougar team strove to perfect individual skill and provide competition in district play.

Winning second place in the 200 free style was Tri Parks and taking third was James Quill. Also in the free style relay, Steve Koehler, Tri Parks, James Quill, and Steve Hassenmiller won first place without competition. The captain was Steve Hassenmiller and co-captain was Steve Koehler. The Bryan Adams Girls Swim Team proved once again to be a hard working and competitive group. The girls faithfully practiced every morning during the summer and after school daily. Under the direction of Coach Austrums Zidermanis, the swim team worked out at White Rock Pool for many hours.

At the District Swim Meet, the girls took third. Pam Rud, Lisa Koehler, Tracy Ball, Julie Christian, and Jennifer Hall all helped in this effort.

Even though the team is very young and inexperienced, they finished in a high position in the two major fall tournaments. In the Dallas High School's Fair Day Tournament, the B.A. golf team had five players selected as members of the top 20 players in the city of Dallas. These five players were Ron Reich, Tom Rapp, J. D. Young, Jason Riner, and Gary Williams. Rina Davis, a freshman girl player, finished in 2nd place in the Girl's Fall Tournament.

Girls On The Move

The 78-79 Girl's Track Team rallied through an outstanding competitive season under the leadership of Coach Moreno. Due to a snowballing interest in track, especially running, plus an excellent crop of junior high recruits, the sport gained immense popularity at B.A. this year. Practice averaging one and one-half hours daily began in late February to prepare for the hectic upcoming season. March brought the Pinkston Invitational, the Bishop Lynch Invitational and the Dallas Invitational, all preparational meets leading up to the season's major objective — the District Meet in April. Returning to the ranks again this year were junior Janet Redinger in the 100 yard dash and the 400 relay and junior Sandy Meyer in the hurdles.

Despite foul weather which hampered early work-outs, the Bryan Adams Track Team began practice in early January in preparation for a season of stiff competition. Self discipline, dedication, endurance, and an overwhelming will to win typified the attitudes of this year's team which was directed by the leadership of Coach Bruce Land. Two to three hour practices preceded the various contests including the Dallas Invitational, District Meets, and the 3rd Annual Bryan Adams Invitational, the only major meet sponsored by a District 11-AAAA school, which attracted participants from the entire county. Wrestlers Pin Down Victories

In its second season at Bryan Adams, wrestling came into its own gaining many new personalities. With Brian McCluskey and Jimmy Ashmore as captains, the team composed mostly of Freshmen and Sophomores gained needed experience. Coach Jerry Barlow practiced what he preached as the contingent improved every afternoon at Kiest Elementary mat sessions.

Coach Barlow hinted that it takes at least 3 to 4 years to become an accomplished wrestler. Eight guys on the team never wrestled before, with most with only one year under their belts. Being a sport of weights, calisthenics, and conditioning, wrestling is an all year sport. Next season looks promising with the younger folks gaining experience according to Jimmy and Brian.

Education Continues

Many changes have taken place during the past few years, and things have finally settled down to normal. Mr. Dearl D. Richardson carried the school through difficult times always ready to help.

Even though the number of students dropped this year, Mr. Richardson continued to work as hard as usual to make it a successful one.

Teachers participated in taking skill tests again this year under Mr. Richardson's supervision. He feels that teachers and students should devote an equal amount of time to academics and activities. This provides for the comfortable balance that helps make Bryan Adams a success.

Upon entering Bryan Adams each student becomes aware of the never ending jobs of Jerry Maddison Senior Supervisor, Roy Reed in charge of Juniors, David Forgey Director of Sophomores, Martin Riojas Freshman Supervisor, Dr. Nancy Blackwood Dean of Instruction, and Miss Sarah Carmichael Pupil Personal-Registrar.

Counselors Give Aid

At the beginning of the school year, many students had problems with their schedules, and the counselors were always there to help.

This year there was a new addition to the counselors staff, Marlene Johnson. She helped with the Drivers education and did general clerical work. Returning to the counselors office this year were Marty Dyer, Martha Ferguson, Ruth Lewis, Eloise London, Gloria Brown, Patricia Johnson, Elizabeth Enlow, Nell Martin, and Yvonne Stratmen, who is the Career Counselor. The counselors did not work by themselves; during each period they had two to four volunteer students who would run errands for them.

Attendance And Clinic

Who sent call slips to students that scared them to death; but many of them later found out that it was just their mother calling to remind them of a dentist appointment? This group of people was none other than the attendance office ladies. Although these ladies went unnoticed, their work at Bryan Adams is greatly needed.

Another group of people that helped students was the nurse and clinic staff. They administered first aid, as well as keeping medical records accurate and up to date. The clinic was a place of concern and dedication to the welfare of students.

The center was created thirteen years ago to help with probationary students and truency problems. English Demands Skills

The Language Arts program gives students insight into expressing themselves effectively and creatively. Students accomplish this by doing grammar exercises, theme, term papers, and oral reports.

Vocabulary played an important part in many English classes this year. Teachers worked on word lists so that students could improve their word usage.

Under the supervision of Debbie Ellis, students interested in journalism learn good and useful skills. In journalism class, students learn how to write in newspaper style and learn a little about photography and reporting.

Students who are in Language Arts are taught skills which enable them to use good writing procedures.

New Course Successful

Speedreading continued to be a very popular and successful class again this year. The course was offered for one quarter to the senior class alone because of the great demand.

Ms. Louise Stafford helped a large number of eager students learn how to improve and build their reading and comprehensive skills. A wide variety of materials were covered during the quarter.

Many students found this class exciting, challenging, and fun. But most of all, they found it beneficial for future careers.

Art courses offered to the students were regular art classes I-IV, which taught painting, drawing, and designing, Crafts I and II, and Ceramics I and II. These classes are directed by four art teachers. Students who wished to enrich their creative ability chose from these popular electives.

The Bryan Adams Art Department sponsored the second annual Art Symposium, which like the first, was declared a huge success by its coordinator Ms. Nancy Miller.

The art students' hard work was rewarded throughout the year by displaying their work in the trophy case.

Creativity In Drama

Creativity came alive with students who participated in drama classes. Fulfillment of expression was sought through acting out dramatic parts, make-up, set design, and one act plays, and children's theater. Hours of rehearsals brought B.A. students awards and recognition.

The stagecraft class spent many hard hours on sets and props for Cothernus Playhouse, the One Act Play, and the musical. This group also ran lights and sound for all other functions in the auditorium. The stagecrew was a valuable group to B.A. this year.

Career Students Go To Work

The Vocational Educational program gave students a good work background. This background was useful for those who were going to college and those who weren't. The program was divided into seven different classes ACT, CVAE, DE, HECE, HOCT, ICT, and VOE. In each section a different type of work was learned from a health career to an office job. The Work Program helped those who wanted to combine work and school. Students in Vocational Education were able to go to school a half a day and then go to work.

Languages Encourage

B.A. offered four foreign languages — Spanish, French, German, and Latin. There were organizations in which the student was encouraged to practice and get the most out of the language with other students.

Language was the key to communication and B.A. was equipped with enough teachers, textbooks, clubs, and sound equipment to aid students in communication as enjoyably and informatively as possible.

Films were accessible to give insight into the country or way of life in which a given language was used.

Study Of Past And Present

In the area of Social Studies various courses were offered to the students to inform them of their past and present history and government. In addition to the required history courses, World History, American History, and American Government, students who were further interested had a wide selection of one quarter elective history related courses to choose from.

Throughout the year various visual aids, speakers, and field trips gave the students additional ways to view their subjects while having a break from the usual classroom work.

At the present time a textbook committee is being formed to examine and decide on new history books for the upcoming year.

Students Study Behavior

Psychology and Sociology classes offered a better understanding of the behavior or people and their influencing environments. Even though they were only one quarter classes, many seniors found a deeper understanding of individuals. Students participated in many experiments such as mazes, coin tosses, IQ quizzes, ESP tests and oral reports. For the students who wanted to learn more about psychology, Advanced Psychology was offered to those who had taken either Psychology or Sociology.

Science Enlightens

Students at Bryan Adams have many choices when they decide what type of science to take. The Physical Science classes learn to make accurate observations and from this form reasonable conclusions, while Biology provides a study of human and animal structure. Chemistry and Physics students learn to solve problems by a given method which allows each student to draw conclusions about the experiments.

Students planning to go into science related fields have the opportunity to take advanced Biology, Chemistry, and Physiology. These courses offer a more indepth study of that particular field of science.

Home Ec Teaches Life Skill

At Bryan Adams both boys and girls take Home Economics. The boys take bachelor survival in order to learn how to perform everyday household tasks such as cooking and sewing. The girls who took homemaking learned the basic skills in sewing, cooking, and raising a family. The senior girls who took Home and Family Living, learned what was required when financially managing a home, and how to plan a wedding. In Home Furnishing students learned how to choose furniture and coordinate colors when furnishing a room. Overall, the classes provided in the Home Economics department were very useful to all students taking them.

Industrial Arts Teach New Skills

Many types of skills were learned by the students taking an Industrial Art course. Courses such as Plastics, Metal, Wood, Electronics, Drafting, and Power Mechanics were offered. In these various classes, students learned how to overhaul engines, make furniture, engrave, make many different things out of plastic and to do scroll work out of metal. By taking classes of this type, the students were able to learn special skills which are useful after high school. These skills can be used as an aid in obtaining a job or when entering college.

Physical Education students of both sexes played many different kinds of games, and did countless exercises that only a gym teacher could invent. To keep the students from getting bored, the teachers also taught interesting new games, such as lacrosse. N.H.S. Proves Its Skills

National Honor Society proved its academic qualities by doing many activities for the school. On September 25, 1978, the N.H.S. hosted the traditional College Night. The students were able to collect information about colleges and their requirements from the various representatives. N.H.S. provided hosts and hostesses for College Night. The society ushered at the Baccalaureate and at Graduation. Members in the club were chosen annually by the Bryan Adams faculty. Students were selected on the basis of excellence regarding character, scholarship, leadership, and service.

Spirits Excite Games

Bryan Adams Spirits was a very large organization this year. The organization held meetings in the morning before every pep assembly. Boy Spirits served in the cheering of games too. The club was made up of freshmen, sophomore, and junior boys and girls. Promoting school spirit was the main purpose of the Spirits. Girls Athletics helped greatly in keeping the Spirits in order. To try out for Belles, a Spirit could not receive more than twelve demerits. The annual Spirit banquet was held at the end of the school year.

The 1978-79 Spirit officers were President, Lacy Atwood; Vice-President, Jo Smith; Secretary, Terri Stock; Treasurer, Lisa Wilkerson; Captain, Suzy Guy; and Co-Captains, Susan Fowler and Vicky Bearden. All That Jazz

It was a year of transition for the 1978-79 Cougar marching band. New band director Don Daniel and assistant director Mark Hoffman worked on new steps and fresh arrangements for the band's jazz-style half-time performances.

The band began practice during the summer. Members rehearsed before school during football season. They also met at Forester Field many afternoons and evenings so they could perfect their routines.

Drum majors Ann Pipes and Mark Brown led the band while on the field.

Twirlers Add Style

The 78-79 majorettes began the year successfully by capturing the award for best team in competition at the summer camp sponsored by Talents Unlimited. Head majorette Jill Smith also won best solo performance.

The twirlers began preparing for this year by rehearsing for the Green and White game in May. In addition to attending summer camp, they practiced all summer. After school began, the majorettes practiced as much as 12 hours a week to perfect their routines. Majorettes rearranged the routines they learned during the summer to fit the band's music. They added props and new costumes to jazz up their performances.

Cheerleaders Show Spirit.

Maintaining school spirit throughout the school year became the main goal of the 1978-79 Cheerleaders. During the week of August 7-11 they participated in the nationally known cheerleading workshop at S.M.U. All through the week they worked hard perfecting stunts and cheers for the upcoming year. All the hard work finally paid off. Throughout the week they achieved three superior ribbons, two spirit sticks, and Super Star Squad.

The Cheerleaders sold spirit towels during the year to raise money and to promote school spirit.

HR's met in the mornings before each assembly to go over the assembly schedule for that game.

CC's Spark Sr. Spirit

The Cougar Claws proved that the Seniors of '79 still have plenty of school spirit. They participated in assemblies by following the cheerleaders in chants and yells. Members met before school on every assembly day to learn the cheers to be used for that game. Any senior girl was welcome to take part in the organization, but only those who wore green could sit with the CC's in the auditorium.

Key Club Continues Hard Work

The 1978-79 Key Club started out exceptionally well by helping raise money for needy children. They eagerly worked in dart booths at the State Fair to raise money for the fight against Muscular Dystrophy. The annual basketball game against the White Rock Kiwanis Club was a success in itself. Also, the Key Club worked on the stage crew and sold cold drinks. Meetings were held by the Key Club to acknowledge the members' activities. The Key Club elected Janet Redinger as their sweetheart.

Key Club was led by Mike Eidson, President; Karl Kurz, Vice-President; Hank Jamieson, Secretary; John Kendrick, Treasurer; Tom Oehler, Freshman Director; Scooter Moomaw, Sophomore Director; Ken Jolly, Junior Director; and John Jones, Senior Director. Sponsor was Mr. John McClure.

El C Does It Annually

1978-79 brought a new style to the BA annual. With this new look came new staff members and fresh ideas.

Under the guidance of sponsor Kathie Bowley, El C staff members worked diligently to meet the demands of Michelle Vardell and Mark Brown, co-editors. It was common on afternoons of deadlines to see students frantically cropping pictures, writing captions, correcting copy, and thinking up headlines.

A trip to Taylor Publishing Company helped staff members understand their jobs better, as they saw how a yearbook was put together.

R.O.T.C. Marches With Pride

This year, the R.O.T.C. has again proved to be one of the most outstanding units in the state. Along with going to competitions, the R.O.T.C. taught its new members the basics of shooting, first-aid and drill marching.

The R.O.T.C.'s constant workouts showed up at each competition. At Witchita Falls the female drill team placed first, the male drill team placed fourth and the rifle team placed fifth. At the North Zone competition both male and female drills placed first, while the rifle team placed third. In City competition the female drill placed second, and the rifle team placed third.

Sergeant Major Clifton G. Stader, Sergeant First class Dozier Sutton, and Sergeant First class Evanda Kviel are the men who helped give the Bryan Adams R.O.T.C. a name.

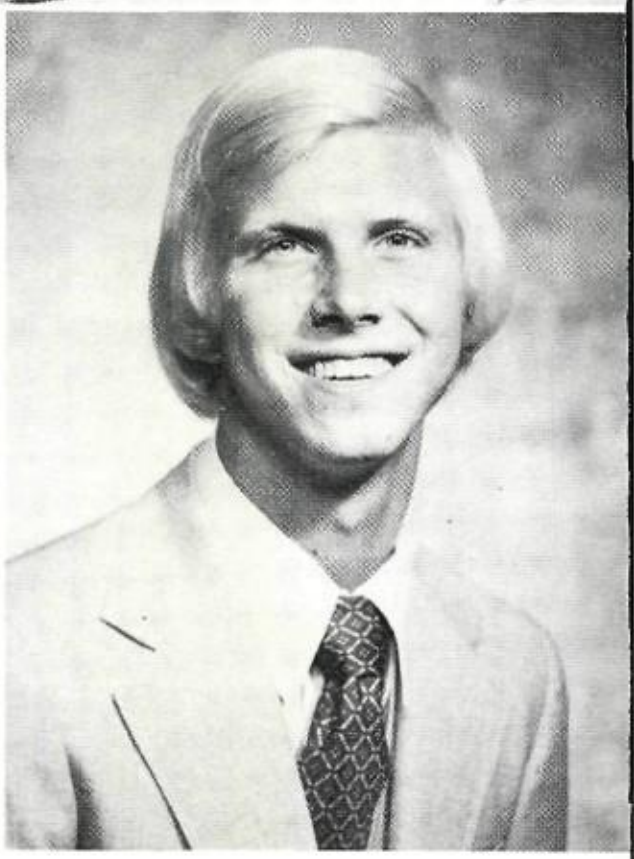
HANK JAMIESON



Bryan Adams was a big part of Hank Jamieson's life as he was a member all three years in the National Honor Society, the Latin Club and the Key Club. During his sophomore year, he played Junior Varsity Basketball. This year, Hank showed outstanding leadership as he filled the positions of Key Club Secretary and President of the National Honor Society. Hank also devoted much of his valuable time to helping other students by participating in the tutoring program during both his junior and senior years. Because of these outstanding achievements, the EL CONQUISTADOR is proud to present Hank Jamieson with the Gold Cougar.

Involvement explains Lynn Robinson's life at Bryan Adams. While maintaining a straight "A" average in the Honor's Program throughout her school years, Lynn has not only excelled academically but in outside activities as well.

Creative Writing and Literary Society helped fill Lynn's time at school and sixth period was dedicated to the EL C staff as the Organizations Editor. A special honor for Lynn was the assignment to the Textbook Committee of the D.I.S.D. Spanish Club, Life Leadership and National Honor Society were just a few more of Lynn's activities and she showed her spirit and school involvement in everything she did. The EL C staff is honored and proud to present Lynn Robinson with the Gold Cougar Award.

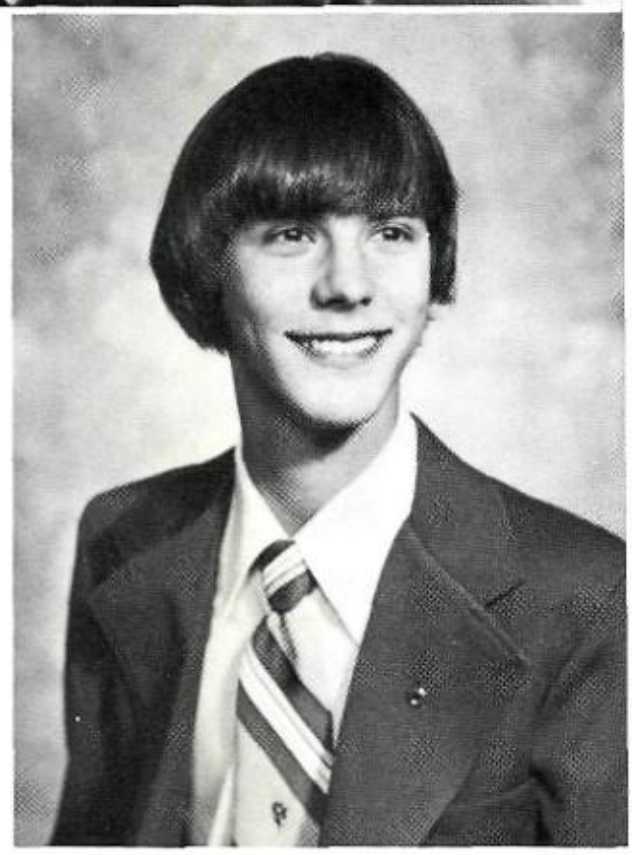
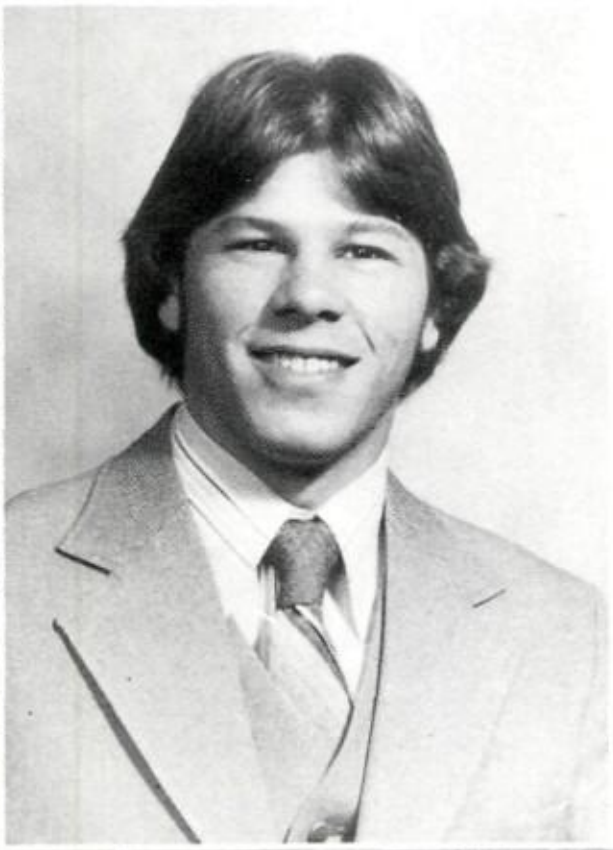
BRAD JOST



Brad Jost made his contribution to Bryan Adams through many academic aspects. Brad participated in the Honors Program throughout his school career and was an active member of the National Honor Society. Brad also tutored others in his junior and senior years and the Key Club was another organization Brad involved himself in.

Brad displayed his leadership abilities through the Math Club of which he was President his senior year and he placed 1st in the Richardson Math Tournament in the Elementary Algebra division. The EL CONQUISTADOR is happy to present the Gold Cougar to this outstanding student.



David Roberts has been active throughout every year he has spent at Bryan Adams. During his first year he participated in the Marching Band and Student Council while performing in the Musical, the Concert Choir and the Concert Band. Throughout his junior year, David again was active in Marching Band and Concert Choir, but he also added to his busy schedule Choir Ensemble, Cothurnus Club and Playhouse, and Thespians.

David's senior year is by far the most admirable as he remained involved in the Musical, Chamber Choir, Ensemble and Concert Choir of which he served as President. David also served on the Senior Council.

The EL CONQUISTADOR staff is pleased to honor this student, David Roberts, with a Gold Cougar.

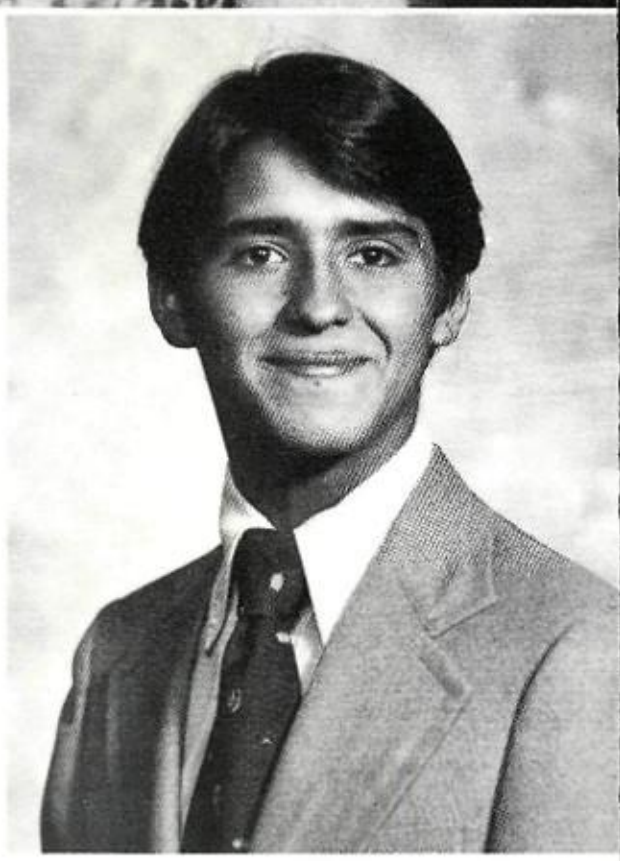
ROSS DAY



Enthusiasm best describes Ross Day and his personality. Track was a big part of Ross' life in his first years here at Bryan Adams and during the summer of 1978 Ross represented B.A. in another way by participating in Boy's State in Austin.

As a member of Patchwork Players and an actor in the Cothurnus Playhouse, both for two years, Ross displayed his flair for performing with spirit and a comical sense. Ross was also the 1978-79 N.F.L. Talent Show "Master of Ceremonies" and the chairman of the Senior Assembly. It gives the EL C great pleasure to present Ross Day with a Gold Cougar Award.

Involved is the word that describes Bucky Eacret. During his three years at BA, Bucky participated in such activities as the Woods and Waters Club, J.V. Football, Varsity Track, the N.F.L. Talent Show, Young Life and Campaigners. Bucky also was a member of Fellowship of Christian Athletes for two years before being elected President of that organization his senior year.

This year, Bucky played Varsity Football, helped plan the Senior Assembly, and represented the Class of '79 as their Class President. Bucky also was a member of the National Honor Society all three years at Bryan Adams.

The EL CONQUISTADOR is proud to salute such a remarkable student as Bucky Eacret.

SHARI

Shari Harris was a student of varied interests during her years at Bryan Adams. An active two year Belle, Shari still found time to join the Cothurnus Club and participate on the Cothurnus Board for two years. Student Council, EL C staff and the National Honor Society were all activities Shari made contributions in. The EL C staff salutes Shari Harris in her accomplishments.

John Wardell showed outstanding leadership and judgment as he led the school throughout the 78-79 school year as President of the Student Council. The EL CONQUISTADOR salutes this extraordinary leader and worker, John Wardell.

Activity portrays Carl Scaglione's three years here at Bryan Adams. Student Council and Concert Choir were only two of the many ways Carl showed his interest in school-oriented activities. Drama was a vital part of Carl's school life and as a member of the Cothurnus Club and its Board he was appointed Stage Manager during his senior year. Carl also participated in Stage Craft and Stage Crew interests for all shows and musicals while at Bryan Adams. The EL CONQUISTADOR is honored to salute Carl Scaglione.

Responsible is the key word to Grace Whittington's character. Although she was President of the German Club, Grace still found time to be an active member of both the Science and Math Club. She also tutored students while at B.A. and was the Secretary for the National Honor Society her senior year. Creative Writing and participating as a member of the Literary Society kept Grace busy in between classes. The EL CONQUISTADOR staff is pleased to salute Grace Whittington for her contributions.

KELLY
WINHAM

Congeniality describes Kelly Winham as anyone knows who has met this charming young lady. Kelly began her high school career by participating in Spirits her sophomore year and attending Young Life which she continued for three years. Upon returning her junior year, Kelly added to her busy schedule the Ice Skating Club, the Woods and Waters Club and Future Homemakers of America.

During her senior year, Kelly performed at halftime as a Belle while serving as Senior Class Vice-President. Kelly also appeared in the Homecoming Court each year she went to Bryan Adams.

The EL CONQUISTADOR happily salutes this admirable student, Kelly Winham.

SENIOR COUNCIL

Senior Memories

The 1979 Senior Council successfully guided the graduating class through the last and final year of memories and activities. Headed by President Bucky Eacret, Vice-President Kelly Winham, Secretary Laurie Paschall and Treasurer Jeanette McDonald the Council planned each activity in which the seniors participated. These activities included Six Flags, Prom, Baccalaureate, and Senior Assembly. The Senior project was a cougar head paid by selling calendars, student-faculty basketball game, and the former senior class. The invitations were chosen and each event was publicized. All areas were covered by a committee and chairpersons. The sponsors were Laura Winters, Barbara Carrell, and Jerry Clay.

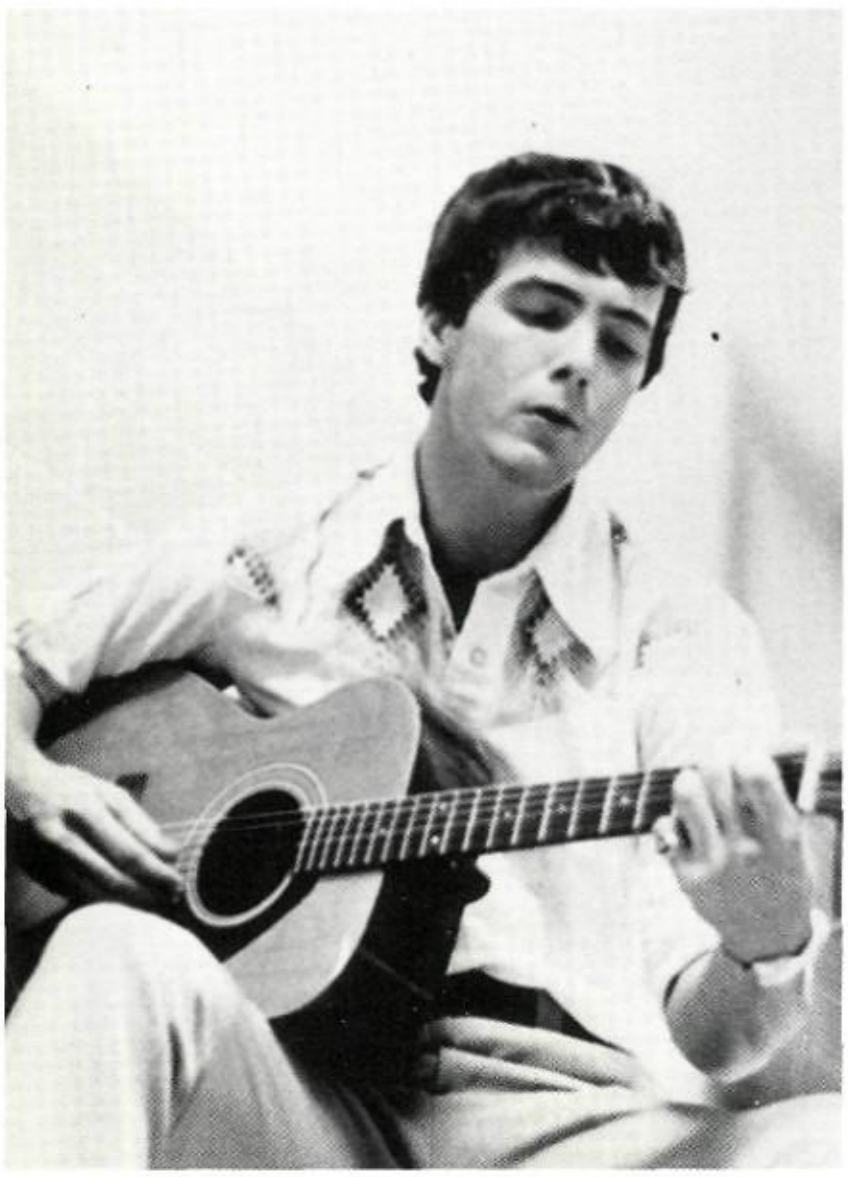
Brad Tuley Sr.



First there was a feeling. Then there was a need for those feelings to be expressed.

The thoughts of the feelings soon turned into the music, and the music soon turned into the song. These are the thoughts, and feelings which I have joined into one, and placed before you. This is your time, and this is your music, and this is my wish to make everyone happy the best way I know how through the expression of song.

Thanks for the support.

D.W.

If I could save time in a bottle
The first thing that I'd like to do
Is to save every day
'Til Eternity passes away
Just to spend them with you.

If I could make days last forever
If words could make wishes come true
I'd save everyday like a treasure and then,
Again I would spend them with you.

But there never seems to be enough time
To do the things you want to do
Once you find them
I've looked around enough to know
That you're the one I want to go
Through time with.

If I had a box just for wishes
And dreams that had never come true
The box would be empty
Except for the memory
Of how they were answered by you.

Thank you for all the happy moments you've given me. We've shared so much as a group, that it would be impossible to go back and retrace all our times together. You have all meant so much to me. You have helped me to laugh during some rough times and to cry when crying was needed.

I wish for all of you the very best.
I know we will all go our own separate ways. I wish it wouldn't be like that.
Just remember all our parties, the skits, the practices, the games, all of the times we were together, and how we got in trouble.

We've all changed so much since we've been here. We've done things that others wouldn't understand. We've had things done to us that even we don't understand. But in the end, I think it worked out fine.

I just want to thank all of you for being the biggest part of my life, and for helping me to grow to the person I am. And thanks for sharing the greatest gift in life — your love.

I'll miss you. Good luck and I love you,

Crazy Alice

We Couldn't Do It Without You

The most essential task of any yearbook is to capture the year in pictures. This job could not be fulfilled without the efforts of a most dedicated group of individual photographers.

The frantic deadlines, the screaming staff members, the screaming sponsor, and a raging photo editor, combined together to make staff photographers' lives hectic and confusing. Despite the hysteria, ten students managed to survive the burden. Phil Carr served as Head Photographer. He was supported by Cathy Tovar, Alice Bybee, Daryl Bird, Jeri Jessee, Judy Todd, Veronica Salas, Mihn Nyguen, Derrick Boone, and Harvey Villanueva. Contributing photographers were Scott Corliss, Camille Shipes, and Ms. Sylvia Tyra. Appreciation to the photographers can never adequately be expressed.

1. Cathy Tovar, and Alice Bybee attempt to murder Lisa Brown (Hiter) on the window ledge.
2. Phil Carr gives a look to the photographer that could raise the dead.
3. Jeri Jessee looks through last year's book.
4. Judy Todd takes a picture of Cathy taking a picture of Judy!
5. Daryl Bird finds his camera very amusing.
6. Veronica Salas looks through a pile of pictures.
7. Harvey Villanueva just can't seem to find anything!
8. Derek Boone studies an award winning photo poster.

Dear Debbie:

Though we had many misunderstandings (Queenie), Ple-e-ease! We still had many fun times, too. Old McClure's class wasn't at all fun, but you made it much better! Luck and Much Love To You In The Future,

SRS. 1980...

WE'RE HOT!!!

Love you,

Mike Ray Williams

(NOT "Queenie")!

Debbie,
Well from Campfire girls to 10th grade Queenies, History has been most unusually interesting this year, and my but haven't we learned much, unfortunately it wasn't about History. Band has been pretty neat but it really ought to be great next year! New Orleans or Bust! I wish the best of luck in Trig & Physics next year I imagine you'll need it! Only two more years and we'll be "Big Shots" seniors. Well I've tried to edit this as well as possible. Hope you have the Best of Luck in your life, and everything and always remember, don't let that mon-Stop talking mouth get you in trouble like it got many folks I did into! See ya next year (Or! Boy all summer!)

Love

Debbie,

Its really amazing all that we've gone through! And we're still remained friends. And to think we proably have Lisa W. in the sixth grade to thank. I've really enjoyed knowing you and growing to love you. I really think its a shame about you and Mary, but thats life. I hope we remain friends for ever. And will always stick together in band. I think its really fun that all the people were liked in the band were both like and right after each other. Now I just hope I can get over Regina!!?!! Well I'll see you in summer band.
